Tightly held, real estate in this neck of the woods is ridiculously hard to come by so you can guarantee that each year that goes by prices just keep on going up, located down on the flat just 3 homes lie between you and pristine sand and surf with Nine Miles of beach stretching down to Blacksmiths, locations like this one seriously don't come along every day and they honestly don't get much better than this! This charming little Beach Shack delivers a cruisy, light, bright and breezy feel, its cool, calm and collected ambiance makes a refreshing change from the hectic pace of city living and it's a far cry from boring est
