

31 Seaside Circuit Caves Beach, NSW

Weekender Heaven, Build Your Dream Property, Just the Way You Want It, Oh So Clo

One of your last opportunities to build beachside with potential views, where you can build exactly what you want for far less than nearby homes and apartments are selling for!

Prices are well and truly on the rise in this beautiful seaside suburb and is it any wonder, just 1 hour North of Hornsby with pristine beaches, surrounded by amazing waterways, ocean and national park...

- Amazing elevated position, delightful, sought after North facing rear aspect

With prices going up and up, we've knocked back \$1.8 for a home in this beach-side estate
