Modern 3 bedroom upstairs flat with water views / includes water usage

Enjoy the peace and tranquillity this lovely upstairs 3 bedroom flat has to offer. The flat is the top half of a home with its own private separate entry. There are only two other occupants at the property, and it is rare that this opportunity comes up to rent in this very popular Lakeside location.

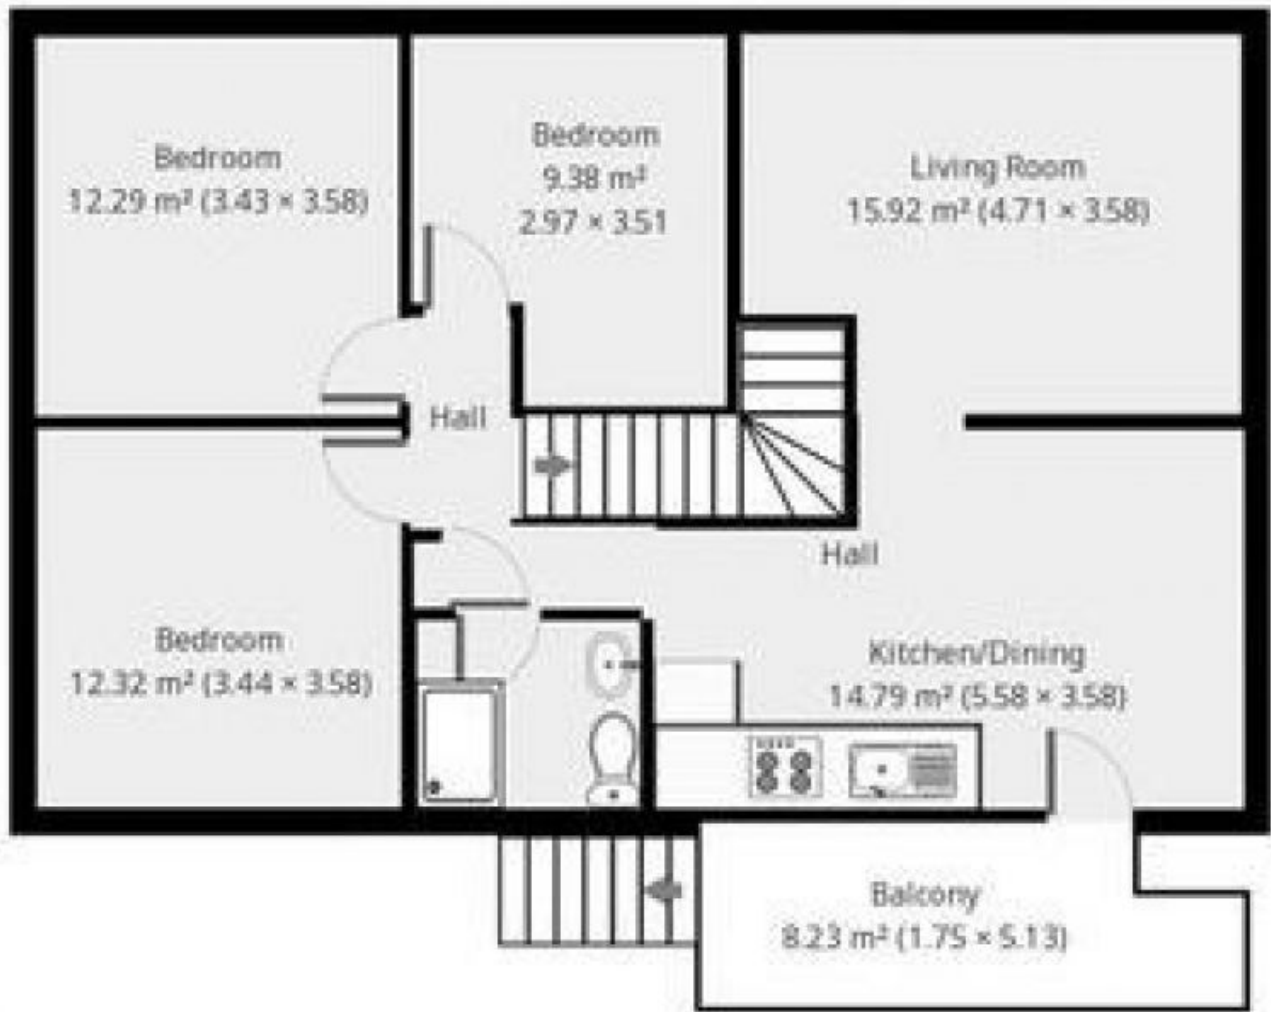

The three bedrooms have free standing wardrobes, Loungeroom with combustion fireplace and Air Conditioning Unit. Open plan dining and kitchen area with one main bathroom with a shower, toilet and vanity unit.

Sorry no pets allowed.
