All of the various indoor open plan living & the master suite, like the expansive wrap around decks, drink in the stunning bush land reserve views. Abundant indoor & outdoor living add to the enjoyment & pleasure of being here, the spaces feel generous, yet they are not so vast that they feel soulless or wasted, being 1 level, the house work & yard work are easy too! Unlike so many homes in Murrays, there's not a step in sight & the design & floor-plan really work the block beautifully, taking full advantage of the gorgeous outlook, there's genuinely multiple living room options, with open plan living off the designer stone tops kitchen with lovely island bench overlooking the bush & backyard. A generous sitting room, reading room, formal dining or kids play area just off the open living adds another dimension with a separate theatre room that can be open to the view or closed off f
