

37 Murray Street Swansea, NSW

## Stunning renovated open plan interior, delightfully landscaped big flat backyard

Rarely do we get to sell a home with such universal appeal as this scrumptious and ever so picturesque inside and outside property. Promising captivating cottage looks that will charm the ladies, but also delivering much more than just pretty looks, in the way of generous bulk and scale where the grounds and living are concerned, but also a very high level of detail in the comprehensively renovated interior that leaves you no work to do whatsoever!

Inside or out, you can't help but fall in love here, front and back decks drink in gorgeous garden outlooks, where you can easily imagine the kids, grand-kids and puppies at play. You can kick back and completely relax letting them have full run of the yard, safe in the comfort of knowing you're in a very quiet cul-de-sac and both front and back yards are both completely secure. Your toys are safe too with double gates letting you get your traile
