

4/33 Olsen Crescent Warners Bay NSW

3 2 1

Modern and fresh, from top to bottom - this low-maintenance, high-impact townhouse is sure to tick all the boxes for investors, downsizers and first home buyers alike. Situated curbside, on a sleepy crescent; close to the myriad of amenities that Warners Bay has to offer - this might just be the ONE.

Completed by locally acclaimed MARS Construction just 2 years ago, this stunning property presents as near new; thanks to both exceptional care and the quality of construction and finishes that were put into its completion. Cleverly configured spaces throughout maximise the footprint, with living areas on both floors, great sized bedrooms and well appointed bathrooms really make for an inviting package.
