

23 Palm Tree Crescent Caves Beach NSW

4 2 4

Unlike all it's boisterous neighboring homes, 23 Palm Tree Crescent is a subtle stand-out. With a generous layout, all on a single level - this is a brilliant gem tucked into the end of this sleepy cul-de-sac. But just cause its all on one level, doesn't mean it misses out on sweeping views across the leafy suburb and distant ocean.

Don't let the premise of single-level living fool you, this home is incredibly well proportioned throughout. From its enormous four-car-inline garage with drive through access; to its multiple formal and informal living spaces; to the full height under home storage that spans the entire width of the home - everything is impressive in its size and presentation.

The internal layout of the home takes full advantage of its orientation and elevated positioning. Large windows
