A single-level brick home with totally flat access is an absolute rarity in Nords Wharf. Even rarer, is a single-level home enjoying views that reach the lake! One of only a handful of homes that hold the exclusive 'Crangan Bay Drive' address - living in this area is unlike a lifestyle in any other part of Nords Wharf.

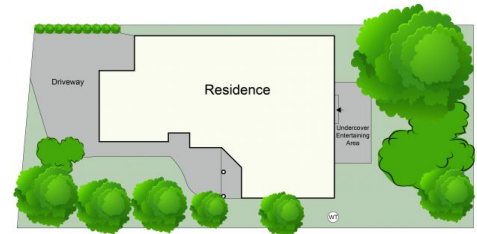

From the street, the home is shrouded in privacy - its elevated positioning and established grounds adding to its oasis-esque appeal. Making your way into the home, you can appreciate its truly substantial scale; with wide corridors, multiple formal and in-formal living/dining spaces, great outdoor alfresco space! The home is structured in a way that will suit a range of discerning buyers - from families through to entertainers all enjoying the space.
