Live like frontline, just without the price!

One of a select group of properties to enjoy their own private water access ? 179 Bowman Street will have you hooked! Mere meters from Black Neds Bay; you can feel the water in the air, you can hear the gentle wash of water along the shores ? all from your private and secluded oasis.

This two-story brick-and-tile home is immaculate in its presentation. With expansive living spaces downstairs that allow flexibility and flow; the perfect compliment to the well-manicured surrounds and great outdoor living options. Plantation shutters and sleek floating floors really round out the package, bringing brilliant warmth and charm to the space.

Perhaps the most unique feature of this property is its access; enjoying direct street access from Bowman Street, as well as rear lane access for more options! The freestanding garage makes full use of this, with roller doors front and back to make parking, storage and
