

184 Bowman Street Swansea, NSW

ICONIC SWANSEA HOME

A true stunner in its day, and remarkably desirable still ? this property stands out from its neighbours for all the right reasons. Its iconic facade, with its sets of triple-arches and Parisian awnings give this home a visual interest well beyond its years; a true staple in classic coastal architecture. Welcome to 184 Bowman Street, Swansea.

Enjoying a modern-preferred layout ? with upstairs kitchen/living, and downstairs entertainment options ? there is incredible potential on offer. With its northerly aspect and elevated views across to Black Neds Bay; you really are spoiled for enjoyment in this location.

The home features generous living spaces, a range of different outdoor entertaining spaces, great parking and storage, as well as a sparkling blue in-ground pool. Flanked by a sunny, flat yard with plenty of space for the kids and pets ? this home really does lend itself
