

2 Waterview Road Nords Wharf, NSW

As rare as they come!

Through recent development, Nords Wharf has seen its fair share of land come to the market - but this is something really special. A near-flat, 467m² corner block in the original part of town! Occupying the corner of Waterview and Government Roads, this block is the ultimate opportunity for those looking to build their dream home in Nords, without any surrounding development to speak of.

Walk to everything - the Trading Post, the School, the Preschool, even the lake! Calling 2 Waterview Road home means you are right in the heart of town, ready to enjoy the easy-going lifestyle that Nords Wharf has become synonymous with.
