Am I an ugly duckling? Yes I am, BUT on the upside I am a swan in waiting, in a

Am I am a glamour that will get your pulse racing and your chest heaving with excitement? No I'm probably not, but I'm also not a pretender or a flimsy jack built house. I'm brick and tile and I've stood the test of time and my looks may not be my best quality, but they're easily transformed.

Half the people you know have probably had cosmetic surgery, so why should I be any different, I don't need Botox or fillers, I just need a make up make over.

Buy a home with good bones, add a bit of elbow grease and imagination and enjoy knock out results!
