Heavily customised, this resort villa has never ever been holiday let or rented out and it shows, home to its current owners 365 days of the year, they have loved living by the sea and starting every day with a beach fix, looking at the ever changing colour of the waves and breathing in that fresh sea side scent, unique to the coastline.

Here you can be on the sand within seconds and there's nothing not to love about this location.

From sunrise to sunset, the deck, open plan living and kitchen all enjoy a water view, your first step out of your king size master suite and you spot the sea and you kickstart your perfect day, feeling energised and optimistic
