Just an hour North of Hornsby, discover a whole other world, where you can leave the big smoke behind and still enjoy all the creature comforts of great coffee, places to eat out, shops and services, but without the traffic or the crowds, where the natives are friendly and the scenery is beautiful, with so many options for you to get out on the water or just paddle on the water's edge, where you are spoilt for choice with beaches and still water options all around you.

Boasting a sublime setting, just seconds to the sand, you can see the beach track as you pull up, but other than neighbours or those who are lost, this isn't a street people drive down to get to the beach, so it's beautifully quiet and lovely and safe for kids, grandkids and puppies too!
