3 2 2

Location wise, they don't come much better than this, here you are super close to the beach and strolling distance to the Caves Hotel and Cafes Hub, with walkways that lead you to both, without crossing any busy roads.

So whether you choose to live here or weekend here, you, the kids and the puppies can be on the sand or grabbing a coffee, a bit of brekky, lunch or dinner, some groceries or a gelato treat, within minutes of home, without even thinking about getting the car out of the garage and it's an easy, almost flat walk or ride, through the linked estate walkways.

Set away from busy roads, at the end of a very quiet cul-de-sac, in a quality neighbourhood that's super friendly, where beachfront reserve homes have sold for \$2,500,000 and over \$3,000,000 now, you certainly are in blue ribbon real estate territory.
