

4/31 Tallawalla Road VALENTINE, NSW

Valentines best buy nearing construction!

Here's an exciting opportunity to purchase a rare, brand new single level villa near the Lake! This complex comprises of 6 properties, however this is one of only two single level villas and the other is sold! Demolition of the existing home is under way and construction is imminent. At that point consultation in colours will not be possible and pricing not so generous! If you've been in the market for low maintenance single level property, the time to act is now!

Features

- Verge - a niche complex of only six contemporary residences
- Quality fittings and finishes throughout with Phoenix Tapware

Location, Verge is centrally located in the heart of Valentine being walking distance to V
