## Pavilion style inspired residence, architect designed & master built for living

Welcome to one off individually tailored living you wont find anywhere else, this unique design enjoys and ebb and flow to great outdoor deck living and a pet and children/grandchildren friendly, largely level backyard, complete with fire pit and superb side access for all manner of toys, from boats, caravans and jet skis to trampolines and swing-sets, there is plenty of scope and room to play with here. Inside promises superb privacy from the road, the appealing facade lures you in, while the entry shrouds the home with mystery, as only those invited in, get to experience the true feeling of this surprise package residence. The entire back pavilion is designed around deck living with the open lounge room boasting gorgeous windows looking out to an intimate feature garden with a stunning natural gas fire place completing the feeling of cosy intimacy, beyond the lounge, open dining flows off a beautiful waterfall edge stone tops designer kitchen and out to the delicious wrapped in timber back deck and easy care lawn and gardens with a separate theatre room, and distinctly separate from the master suite, children and or guests bedrooms bathroom and open
