

**2019 HIA Hunter Housing Awards Winners Announced**

Members of the local residential construction industry were on hand when the winners were announced at the prestigious 2019 HIA-CSR Hunter Housing and Kitchen & Bathroom Awards ceremony on Saturday night.

More than a capacity crowd of local industry leaders and peers from across the Hunter and surrounding regions, HIA awards are held in the highest regard within the residential building community and have grown to become the state's most distinguished Housing Awards program. The award recognizes the talent and achievements of those who lead the way in the design, construction and technology of housing, kitchens and bathrooms.

By the industry professionals, winners were selected in 26 separate categories and Evolution Builders took out the highly competitive and much coveted Custom Built Home award in the \$400,001 - \$500,000 category.

Winners are judged on a range of specific criterion including:

- Quality of workmanship
- Value for money
- Effectiveness
- Appeal
- Design, innovation, and
- Environmental Sustainability

**2C Paley Crescent BELMONT SOUTH, NSW**

**Slashed way below replacement cost - brand new, landmark design, premier position**

This state of the art design is the love child of an extremely successful local waterfront owner and entrepreneur, whose passion for excellence is obvious and whose total disregard for cost at the expense of perfection is refreshing, somehow he has managed to deliver a scrumptious, yet amazingly affordable delicacy, you simply wont find on a menu anywhere else, he has created a home he himself would live in and a residence he is proud to hang his name on, for now and for all of time, a future proof property that will only increase in value and improve in time as its beautiful landscape architect designed organic forever garden matures and flourishes. Completely captivated and totally mesmerised by this incredibly unique lakeside site, there was never any question of knocking up a quick or cheap nasty build here, instead this site deserved something very special and absolutely original, individually tailored, custom designed and built to take full advantage of all that makes Paley Crescent such a highly regarded and sought after address, like its panoramic Lake views that you feel you can reach out and touch, whether you are inside or outside, almost ev
