## EASTLAKES

**785 Pacific Highway (2 William St Entry) BELMONT SOUTH NSW**

4 2 2

Priced to please, this property packs a whole lot of punch, with an incredible amount of bang for your buck, it doesn't just deliver on sexy good looks, but promises premium quality renovations that are so not the typical quick cover up or cosmetic make over, the property hasn't been renovated to flip, instead it's been lovingly restored for quiet family friendly Lakeside living, which the owners intended enjoying for many, many years to come. The original character filled cottage was specifically chosen for its soaring, nearly 9 foot ceiling heights and its very generous room sizes, architect designed, the entire interior has been re-modelled, embracing all the very best of yesteryear old world charm, while incorporating contemporary clean fresh new lines and everyday enjoyable, user friendly, practical light and airy relaxed open living that flows from outdoors in and indoors out
