EASTLAKES

54 Lakeside Drive Swansea NSW

4 2 3

We very rarely get to list property as special as this one, not your typical Swansea rambling old unsalvageable home, not a 2 storey where you are up and down stairs all day long, but the perfect brick and tile, spacious and beautifully laid out, single level residence, master built by a builder who prided himself on exceeding the highest of standards and execution, the results being a timeless enduring quality home that is as enjoyable to live in now, as the day it was finished! This really is the perfect Lake House property, it's move in ready, just an hour North of Hornsby, opposite the largest salt water lake in the Southern Hemisphere, with boat ramps galore, sandy beaches and tropical blue green water seconds from home and great surf beaches, shops, cafes and restaurants just minutes from your door, yet it still has a charming relaxed holiday feel, where everyone still says hello and has a smile on their dial and why wouldn't they, when they live
