The world we live in maybe a little upside right now, but our BESOLD team, Shanti, Matt and Ben love to put things right side up again for sellers and buyers alike!

Price : \$ 800,000

Sold off market for \$800,000! Not under sold like many other homes we see given away

Working hard for both the seller and the buyers too, everyone was a winner here

After missing out elsewhere, we helped the buyers find something extra special

Sellers loved their sale price & the no fuss or fanfare relaxed style of sale

A stunning, but petite home surrounded by beautiful
