

34 Pacific Street Caves Beach, NSW

Prized Location, Quiet Street, Short Stroll to Cafes, Restaurants, Hotel, Patrol

Here's one you can afford, with Caves Beach skipping away, every sale is raising the bar to new heights, finding something under \$1.1M is near impossible, finding something well located, family friendly and move in ready for less is all but impossible, so don't muck around, this property won't last the summer if it's anything like other homes in Caves Beach that we are selling!

- Promises the perfect orientation & a magic North Easterly blessed rear aspect
- The backyard, deck, open living & master bedroom are all bathed in winter sun

Very easy on the eyes and the hip pocket compared to other homes in such a strong location
